It is with immense pleasure that the Managing Trustee and the College Administration inform everybody that our college has been approved as an NCC centre from this academic year onwards. Those who want to be a member of NCC are requested to give their names to Dr.M.S.Govindankutty, Director of Physical Education immediately. Their names have to be sent to NCC Directorate by Monday, August 22, 2011. To be an NCC Cadet shall endow a great credit for an Engineer and facilitate them to get placement from anywhere. Hence those, who join NCC shall be greatly benefited. Students may give their names to the Academic Office also in order to avoid delay.
